HUMBOLDT'S TEAM SCAVENGER HUNT SEP 19 - OCT 11

2026
MASTER
TASK
LIST

Part 1: Tasks

How to Play

Interpret and complete the Tasks contained in this booklet. Post photos of your achieved Tasks on Bluesky, labeled with hashtags designating the Task name, YOUR team name, any additional tags, and @bogglebang and the Task Number.

An example from 2013:

Task 00 #GoatScarf

Put a scarf on a goat.

Once this has been accomplished and photographed, upload the image to Bluesky and label as so:

Minimum one point is earned for every task achieved, but well done Tasks may earn far more. Look out for Tasks prompting you to add some kind of flare. Additional points will be awarded for style, theme, composition, ingenuity, and humor. If you feel your team has excelled in one of these categories at a particular Task, you may nominate yourself for more points using these point enhancing tags:

#PointsForStyle
#PointsForPageantry #PointsForComposition
#PointsForIngenuity #PointsForHumor

Nominate teammates when you submit Tasks using their code name and applicable special ability/role. #CodeName #ExampleSpecialAbilityOrRole

ATTENTION: Generative AI is an abomination against all that makes humaity beautiful and is forbidden throughout Bogglebang.

Part 2: Riddles

There are 16 Markers hidden throughout the Humboldt Bay region. Solve 16 Riddles to locate these markers. Each Marker has one quote, one bingo icon, two crossword hints, a letter Jumble, a letter jumble hint, and a Clue for a Detective Mystery. Use this information to complete the puzzles found in the back of this Master Task List. 10 points to the first team to announce the quote on each Marker, 5 additional points if it is done in song. Include hashtags.

The Scroll Of Riddles: Teams registered at Bogglebang.club may receive the first 12 Riddles by locating the Bogglebang Task Master at the dates and locations listed on the Bogglebang Calendar. To recieve the last 4 Riddles, complete 11 Tasks from each designated Challenge. Registration is open until Oct 3rd at Bogglebang.club.

ATTENTION: You may photograph the Markers, but please do not share them.

- ★ = FINAL HOLE

□ TASK 109

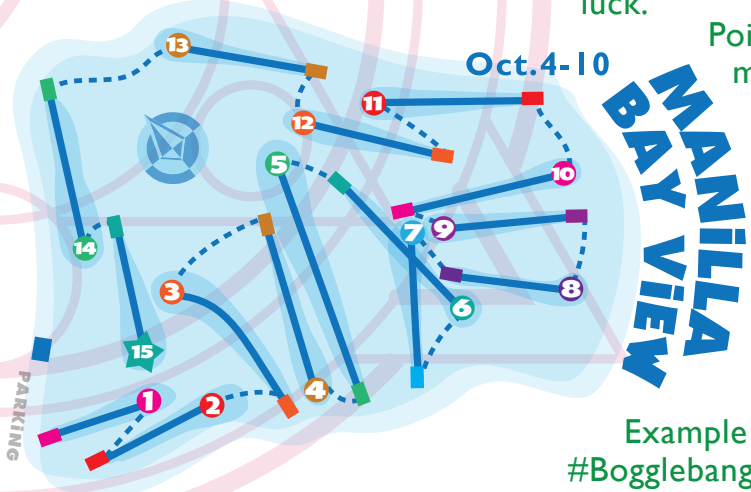

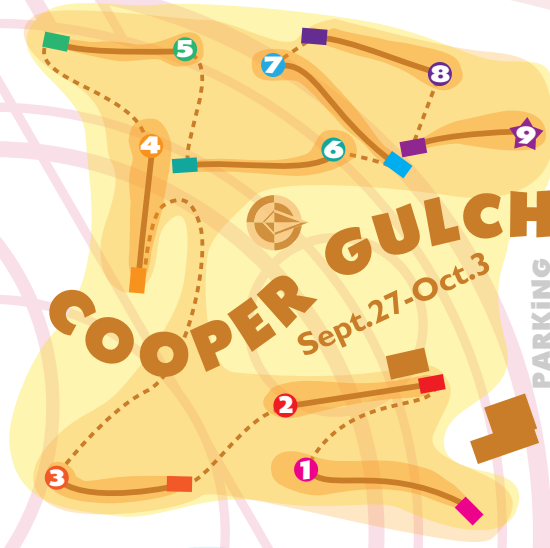

#CostumedDiscGolfTournament
While dressed in costumes, teams play one game per week, and, to be counted in the tournament, must achieve 5 Tasks from the Oval Challenge with each round.

Points are scored through a combination of proximity to par, bracket advancement, the quality of the Tasks achieved, and honestly, a little bit of luck.

Point enhancing tags may be applied to Tournament Tasks where they are appropriate.

Tally and report your score in a post with the proper hashtags.

Example for Round 1:
#BogglebangDiscGolfRound1
